

Circular Ref. No.: NSE/KRA/2021/01

September 07, 2021

To,  
All Intermediaries,

**Sub – Standardization of Phase II download feeds from the KRAs – making them uniform, across all the KRAs**

As part of a convenience and standardization drive, all KRAs have worked together to create one format of Phase II download file for all the Registered intermediaries, keeping all the fields / tags, common across KRAs.

This requirement has flown in by way of a SEBI Committee recommendation. We believe this brings in a lot of comfort and ease to all the registered intermediaries and the same will be applicable from October 02, 2021. The existing format of feeds will be discontinued with effect from 11:59 pm, October 01, 2021.

All webservice IOP phase 2 users are requested to make changes at their end with the changes mentioned in Annexure 1 for Individuals and Annexure 2 for Non-Individuals.

In case of any clarifications/queries, please write to us at [dotex\\_kraops@nse.co.in](mailto:dotex_kraops@nse.co.in) or call on 022 -2659 8182 / 8407.

For and on behalf of  
**NSE Data & Analytics Limited**

**Annexure 1 – Individuals – New format of Phase 2 download fields –**
